

Ref. 6OPTIM1

Ear Muffs

DESCRIPTION

3M PELTOR OPTIME I earmuffs, 27 dB. Streamlined design that easily combines with other safety equipment. Wide, comfortable, adjustable stainless steel headband. Yellow plastic cups. Large space inside the cups to reduce heat and moisture buildup. Soft, wide ear cushions to reduce pressure around the ears, making them comfortable to wear for long periods.

APPLICATIONS

For moderate noise industrial environments, such as workshops, sheet metal shops and printing shops, as well as outdoor activities, such as mowing lawns or trimming hedges.

27
dB

The +

Streamlined design that easily combines with other PPE and makes the earmuff lightweight. Large space inside the cups to reduce heat and moisture buildup. Soft and wide ear cushions to reduce pressure around the ears. Spare parts available: ear cushions and foam inserts.
