

Ref. 6OPTIM3

### Ear Muffs

#### DESCRIPTION

3M PELTOR OPTIME III 35dB Earmuffs.  
Dual-compartment technology to reduce resonance.  
Wide, comfortable, adjustable stainless steel headband.  
Black and red ABS cups.  
Large space inside the earmuffs to reduce heat and moisture buildup.  
Soft, wide ear cushions to reduce pressure around the ears, making them comfortable to wear for extended periods.

#### APPLICATIONS

High-performance hearing protection for very noisy environments, such as airports, power plants, ship engine rooms and printing plants.

35  
dB

285

### The +

Dual-compartment technology to reduce resonance.  
Large space inside the earcups to reduce heat and moisture buildup.  
Soft, wide earpads to reduce pressure around the ears.  
Spare parts available: earpads and foam inserts.
