Respirex International Ltd.

EC Directive 89/686/EEC

EC Type-examination

Issue 4

PPE Product

Respirex (logo) "Workmaster" Dielectric safety boot, Design D: Knee-height boot, consisting of a yellow thermoplastic shaft with lining, comfort insert sock, steel toe cap (522), and blue dielectric rubber sole unit, which is available in thirteen nominal sizes: UK size 3 to 15 (EU size 35-50), part numbers: B00950 – B00964.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standards:

EN ISO 20345:2011 (Personal protective equipment – safety footwear)

Class II footwear with a performance category of SB, with additional special application: E, CI, FO, HRO & SRA;

EN 50321:1999 (Electrically insulating footwear for working on low voltage insulations) for performance classification: Class 0.

The manufacturer's information notices (BS\B00957/A/09), in English, have been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference: TF088, issue A

SGS Reference Number: GB/PP 230631
