

ENJOY MUSIC

As You Like & When You Like

HASPRO PURE MUSIC

They are transparent and discreet, providing a comfortable and almost invisible fit. The set includes two insert sizes and a special handle for easy use.

These earplugs have been endorsed by some of the largest festival organizers, ensuring that you will receive top-quality protection and crystal clear audio.

HASPRO PARTY

Haspro Party earplugs are equipped with a built-in acoustic filter that delivers exceptional clarity of sound, ensuring that you can enjoy the music just as it was intended to be heard. You can enjoy a night out without worrying about the damage that excessive noise can cause to your hearing.
