Respirex International Ltd.

EC Council Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

Respirex Limited Life Coverall Splash Suits, manufactured using 150g/m² barrier laminate on non-woven fabric, which are available in five nominal sizes and various options for: visor (V), sleeve terminations (S), leg terminations (L) & Zips & overflaps (Z), product code: LLCSS132V**S**L**Z**, where ** is the relevant option code. The suits must be used with breathing apparatus worn under the suit to provide breathable air to the user.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standard, EN 14605:2005 for the classification Type 3, limited wear life full-body chemical protective clothing with liquid-tight connections.

The manufacturer's information notices [BS\015\0\2008 and BS/A00132/A/07], in English, have been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file TF022, Issue D
SGS Reference Number GB/PP 219776
