- Maintenance work

TECHNICAL FEATURES

Fabrics	Polyamide seamless knit	Supplement information	Total black soft nitrile coating
Lining	Fleece lined interior	Supplement information 2	Elastic wrist band fastening
Exterior Finish	Smooth	Material of coating	Nitrile
Coating level	Total coating	Construction	Cut and sewn

INSTRUCTIONS FOR USE AND STORAGE

Instructions for use :

- It is recommended to pre-test the gloves, as the actual conditions of use may differ from those of the "EC" tests. Performance levels are only guaranteed on the palm of the glove when new.
- Wear gloves on dry, clean hands.
- Do not use gloves in contact with a chemical product for longer than the measured permeation time. Refer to the website www.europrotection.com
- In use with a dangerous liquid, turn the cuff edge over to prevent drops from falling on the arm.

Storage instructions :

- Keep gloves away from light, moisture and sources of heat.

Cleaning instructions :

- The washing of the gloves varies according to the materials of the product. See the recommendations on the package leaflet.

LEGISLATION

This glove conforms to the personal protective equipment model covered by the EC type-examination certificate. **5861 Issue 2 Extension 2**.
Delivered by **SATRA (321)**.
